2022 Acura TLX Tech

Bring home premium Acura design and confident all-weather control with this used 2022 Acura TLX Tech sedan, available now at Pfaff Subaru in Guelph. Finished in a deep Blue and built as a 4-door sport sedan, it pairs a smooth automatic transmission with Acura all-wheel drive for steady grip in changing Ontario weather. With 124,545 km, this TLX Tech is well suited for drivers who want refined comfort, modern safety support, and turbocharged response in a daily-friendly package. Under the hood is an intercooled turbo premium unleaded 2.0 L inline-4 gas engine. It delivers strong mid-range pull for merging and passing, while power steering keeps the feel light in town and confident on the highway. A limited slip differential helps put power down with control, and stability control plus traction control work in the background to help you stay composed when roads get slick. FEATURES OF THE...
